**MEMBERSHIP**

Association Montessori Internationale

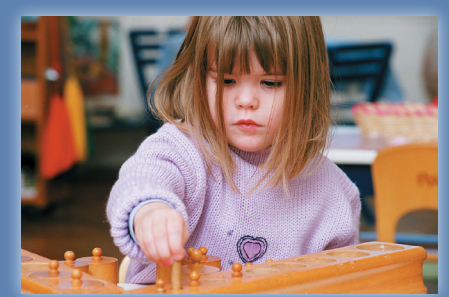

Association  
Montessori Internationale  
(AMI) was founded by  
Maria Montessori in 1929 to  
maintain the integrity of  
her life's work.

AMI/USA is  
the primary operational  
affiliate servicing AMI  
members within the United  
States.

Our  
core focus is to  
help children attain their  
full potential in our society  
through Montessori  
education.

Take a moment to complete and return the attached membership application today.

## OBJECTIVES

For nearly 100 years, the Montessori method has been quietly revolutionizing education. Maria Montessori developed an approach that reaches every child at his or her level and fosters self-motivation while building confidence and independence. This powerful approach has been implemented in over 75 countries worldwide. The Montessori method is more than knowledge; it's "education for life." It provides inspiration and the hope for a better, more peaceful society.

### AMI/USA fulfills its national objectives through:

- Administering the AMI school recognition program
- Supporting teacher trainee recruitment for AMI training centers
- Hosting continuing education for AMI schools including the annual AMI refresher course, administrative and assistants' workshops
- Fostering relationships with additional organizations such as the Council for American Private Education, Montessori Accreditation Council for Teacher Education, etc.
- Facilitating growth of AMI in public school programs
- Administering additional supportive research, such as the AMI teacher salary survey, teacher trainee demographics, and school tuition information
- Providing additional membership benefits as listed

## BENEFITS

AMI members who join through AMI/USA enjoy comprehensive member benefits, including:

### • Annual subscription to:

**Communications**, the AMI scholarly journal

**AMI Bulletin**, highlighting international news
