The 2022 Montessori Experience COVID -19 Policies and Requirements

OUR GOALS

Our goals are to make sure that all our attendees feel safe and attempt to minimize the risk of spreading COVID-19. To ensure this, we are keeping a watchful eye on recommended health guidelines from the CDC along with regulations in Orlando, Fla. where the event will take place. We are committed to keeping everyone attending this year safe and informed. As we've seen, a lot can change in just a few short months; we will be adjusting according to the climate of the situation. These policies are subject to change. Please continue to monitor this page for future updates on policies and protocols.

As part of Marriott's Commitment to Clean there will be **Enhanced Public Space Cleaning throughout the hotel venue. Here is a [link](#) to the detailed information from the hotel**

- Marriott has increased the frequency of cleaning and disinfection, particularly in areas with high traffic including restrooms, elevators, and escalators as well as provided more hand sanitizing stations.

REQUIREMENTS

1. Face Coverings. All persons are required to wear a face covering at all indoor events when not eating or drinking regardless of vaccination status.
 - The CDC now recommends that residents in communities with substantial or high transmission levels wear masks in indoor public settings, regardless of vaccination status.
2. Proof of vaccination and/or negative viral test result.
 - Registrants who are fully vaccinated may show proof of full COVID-19 vaccination. In general, people are considered fully vaccinated:
 - 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
 - 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

If you don't meet these requirements, regardless of your age, you are NOT fully vaccinated. Keep taking all precautions until you are fully vaccinated. Everyone who has not been fully vaccinated is strongly encouraged to find an appointment at vaccines.gov.

OR

A negative COVID-19 viral test result will be required to attend. The negative result must be obtained within 72 hours of your arrival at the venue. Results from at-home tests provided by [COVIDtests.gov](https://www.covidtests.gov) are acceptable.

3. Socially Distant Seating/Spacing. We ask all attendees to adhere to the CDC social distancing guidelines to the best of their ability. As organizers of the event we plan to set the spaces with social distancing in mind to the best of our ability.
4. Signed Liability Waiver*

We ask that you not attend if any of the following is true for you or anyone in your party:

- Within 14 days before attending the event you have tested positive or been exposed to someone who has tested positive for COVID-19;
- Within 48 hours prior to attending the event, you have experienced symptoms of COVID-19 (e.g., a fever of 100.4F or higher, cough, shortness of breath or difficulty breathing, chills, repeated shaking muscle pain/achiness, headache, sore throat, loss of taste or smell, nasal congestion, runny nose, vomiting, diarrhea, fatigue or any other symptoms associated with COVID-19 identified by the CDC);
- Within 14 days prior to attending the event, you have travelled to any international territory identified by federal or applicable state or local governments as being subject to travel or quarantine advisories due to COVID-19.

How Can We Work Together to Help Stop the Spread?

In General, you can:

- Wear a mask or face covering at all times when you are at the event. If you do not have a face covering, limited supplies of masks will be available when you arrive.
- Avoid touching your eyes, nose, mouth and others with unwashed hands.
- Thoroughly wash your hands with soap and water as often as you can. Scrub your hands for at least 20 seconds.

- If you are not near a sink, use hand sanitizer. Sanitize all of the skin on your hands and rub them together until they feel dry. Refrain from shaking your hands to dry them.
- Engage in respiratory etiquette by coughing and sneezing into the bend of your elbow.
- Avoid coming in close contact with those who appear unwell.
- Learn the additional measures that high risk and vulnerable individuals should take.
- When in doubt, talk with your personal healthcare professional for guidance.
- Stay up to date on current events within your County and State for further information.
- Review current recommendations from the CDC when you've been fully vaccinated to protect yourself and others

*Available on terms & conditions at registration
