

# We'd like to hear from you!

## National Study of Montessori Teacher Dispositions: Scientific Observation for Assessment

### Participate In

- A research study designed to learn more about what AMI certified Montessori teachers with students ages 3-6 years in the United States report regarding scientific observation for assessment as a disposition and as a disposition in action.

### To Participate You Must

- Have an AMI Primary Diploma.
- Be a member of AMI-USA.

### Participation Involves

- A digital survey estimated to take approximately 15 minutes.
